For Mum and Dad.....

We want to make the change of class as easy as possible for your child.

You can help them by:

♦ Ensuring that ALL their possessions, especially fleeces, sweatshirts are named and easily identifiable. Sew in name tapes are best for clothing as 'written on' names do not last.

♦ Encouraging your child's growing independence – letting them sort out their own lunchbox, snack, coat, shoes etc. We understand that this takes them time at first and allow for it.

♦ Listening to them read, or ask them about their books and encourage them to read every day.

♦ Practising Numeracy skills in a friendly and informal way

– number games, mental arithmetic and table facts.

♦ Encouraging and supporting them to do their homework by themselves

♦ Coming and asking if you or your child have any worries – however small.

♦ Remember, we have more time to listen after school than in the mornings.

Things to do at home

- * Make sure you have everything ready for the next day at school.
- * Read every night either to yourself, an adult or other member of your family.
- * Make sure you bring a reading book and your Reading diary to school every day.
- * Learn your spellings each week.
- * Practice your times tables (2,5,10 –Yr 3) (3,4, 6, 8—Yr 4) and number bonds to 10 and 20.
