

So long...Farewell!

**After a lot of very hard work Year 6 performed their leavers show to the rest of the school. They put on an excellent performance and we are now looking forward to tonight when we are sure they will do just as well for their parents and relatives!
Good Luck Year 6!**

Dinner Money

Unfortunately the cost of a school meal has been increased from September to £1.85. New menus including children's favourite meals, but in a more healthy way have been created so we hope that you will still regard them as good value for money.
