### A note from Mrs O'Hare

**Thank you for your support and understanding with the work we have had to have done on the infant playground! We have had to have the 'new' surface replaced as it appears to be defective. The infant children have had great fun watching the diggers and the 'Bob the builders' resurfacing the playground. We had lots of the Reception children in their own yellow hard hats and reflective jackets, watching with great glee on Thursday lunchtime! Hopefully we will have a great new playground surface and we will be able to apply the new colourful lines and patterns within a few weeks to finish the playground off.**

### Water Bottles

We now have water bottles back in stock, they cost £1 and can be purchased from the School Office. We also have a supply of spare bottle tops which can be bought for 25p each.

## Production Club

Well done to all of the children who auditioned for our new production 'The Snow Queen'. Unfortunately due to the huge numbers of children who wanted a part, we have had to disappoint some children this time.

For those children who have been successful, rehearsals begin next Tuesday from 3.30-5pm and children should be collected from the hall doors at 5p.m.

Thank you

**OAK WON THIS WEEKS HOUSE POINTS WITH A RECORD BREAKING 100 POINTS! WELL DONE!**

Please remember it's school photographs on Thursday 25th September.

Also the School Association AGM meeting will be held on Wednesday 24th September at 7p.m. at school. New members are always welcome!

Well done to Mrs Adams' Class who achieved a full weeks attendance!
