

I'm Walking Like a Robot

I'm walking like a robot, a robot, a robot,
I'm walking like a robot, just look at me now.

My head turns in a circle, in a circle, in a circle,
My head turns in a circle, just look at me now.

My eyes are big and wobbly, big and wobbly, big and wobbly,
My eyes are big and wobbly, just look at me now.

My arms move very stiffly, very stiffly, very stiffly,
My arms move very stiffly, just look at me now.

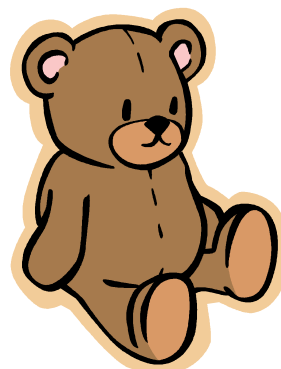

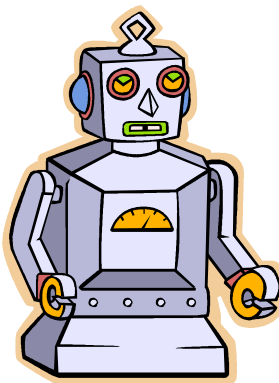

My ears are very wiggly, very wiggly, very wiggly,
My ears are very wiggly, just look at me now.

My hands are very jerky, very jerky, very jerky,
My hands are very jerky, just look at me now.

My legs are very bendy, very bendy, very bendy,
My legs are very bendy, just look at me now.

My feet are slow and heavy, slow and heavy,
slow and heavy,
My feet are slow and heavy, just look at me now.

I'm walking like a robot, a robot, a robot,
I'm walking like a robot, just look at me now.

Jack lives in a wooden box,
Head squashed down between his socks.
Press the button and up he pops!
My Jack-in-the-box

Jack lives under a wooden lid,
No one knows just where he's hid,
Press the button and up he pops!
My Jack-in-the-box!

Jack lives in a house of wood,
He's a toy that's always good,
Press the button and up he pops!
My Jack-in-the-box!

Twinkle Twinkle Chocolate Bar

Twinkle twinkle chocolate bar,
My dad drives a rusty car.
Push the button,
Pull the choke,
Off he goes in a cloud of smoke!
