

Fire Work Sounds (poem)

Fizz fizz fizzety fizz

The firework goes round going fizzety
fizz!

Bang bang bangety bang

The rocket flies high with a bangety bang!

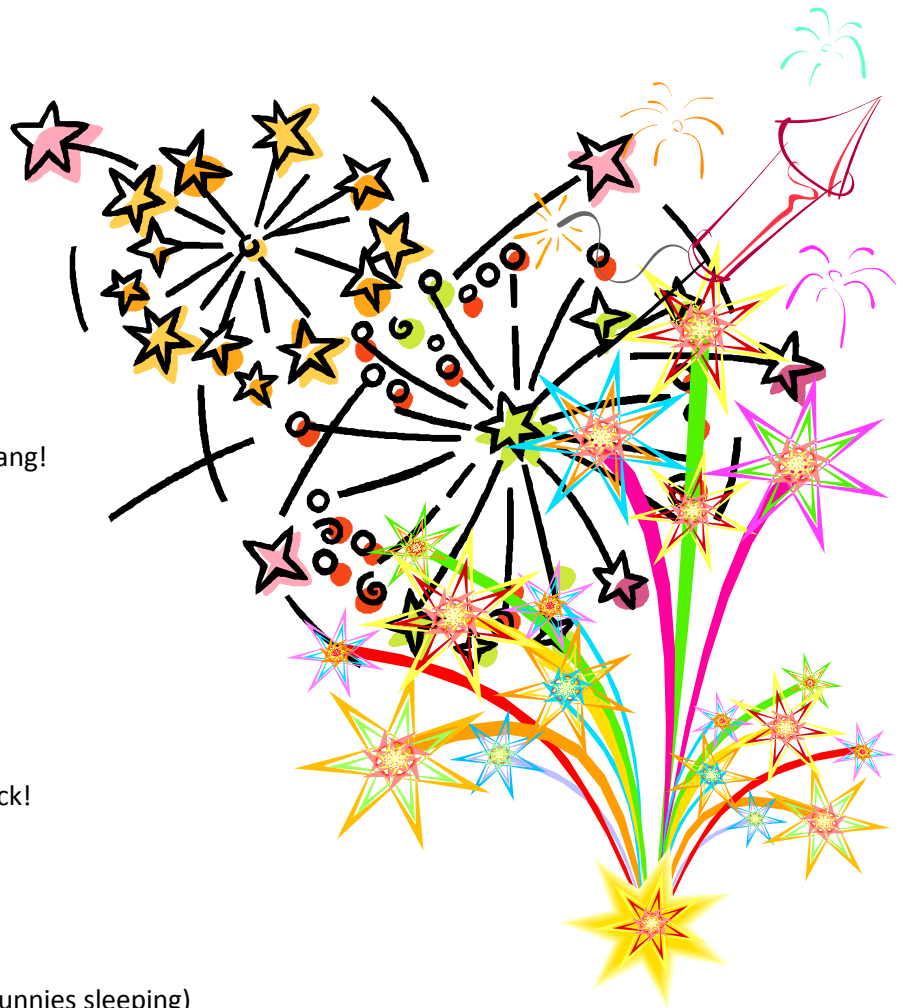

Whoosh whoosh whooshety whoosh

The candle shoots sparks that go

Whooshety whoosh!

Crack crack crackety crack

The flames on the fire go crackety crack!

Little Fireworks (Tune: see the little bunnies sleeping)

See the little fireworks sleeping (*curl up and pretend to sleep*)

'Til they see the moon.

Come let's go and gently light them with a noisy tune.

Oh so still

Are they ill

Explode soon (*clap hands*)

Bang little fireworks (*star jump at the same time as banging*)

Bang, bang, bang!

Bang little fireworks

Bang, bang, bang!

(*create extra verses by adding different firework sounds and choose fire work actions to go with them*)
