The Last Lust Lest

On the Last Lust Lest
Where the snakes live west
And the tea pots go to shop.
There's a Lust Lest Last
Where the flowers all blast
And the bags sutter sitter stop.
On the Last Lest Lust
All the people turn to dust
And you just can't hop to the top.
So Last Lust Lest
The snakes live west!
Lust Lest Last
Flowers all blast!
Last Lest Lust
People turn to dust!
What a musical place to rest
Is the Last Lust, Lest, Lost, Lest.

On the Cost Cist Cest

On the Cost Cist Cest

Where the bird is a pest

And the mice can be an acrobat!

There's a Cist Cest Cost

Where the teachers are bossed

And the stars splatter, splitter splat.

On the Cest Cost Cist

All the people have a twisted wrist

And you just can't catch the timid bat.

So Cost Cist Cest

bird is a pest!

Cist Cest Cost

Teachers are bossed!

Cest Cost Cist

People have a twisted wrist

What an irritating place to have missed

Is the Cost Cist Cost Cest Cist
